I. Introduction

On May 21, 2018, NYSE Arca, Inc. (“Exchange” or “NYSE Arca”) filed with the Securities and Exchange Commission (“Commission”), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”)<sup>1</sup> and Rule 19b-4 thereunder,<sup>2</sup> a proposed rule change to modify the continued listing criteria applicable to the shares (“Shares”) of the iShares California AMT-Free Muni Bond ETF (“CA Fund”) and iShares New York AMT-Free Muni Bond ETF (“NY Fund” and, together with the CA Fund, “Funds”). The proposed rule change was published for comment in the Federal Register on June 11, 2018.<sup>3</sup> On July 24, 2018, pursuant to Section 19(b)(2) of the Act,<sup>4</sup> the Commission designated a longer period within which to approve the proposed rule change, disapprove the proposed rule change, or institute proceedings to determine whether to disapprove the proposed rule change.<sup>5</sup> On September 5, 2018, the Exchange filed

Amendment No. 1 to the proposed rule change,<sup>6</sup> which superseded the proposed rule change as originally filed. The Commission received no comment letters on the proposed rule change. The Commission is publishing this notice to solicit comments on Amendment No. 1 from interested persons, and is approving the proposed rule change, as modified by Amendment No. 1, on an accelerated basis.

## II. Description of the Proposed Rule Change<sup>7</sup>

Blackrock Fund Advisors (“Adviser”) is the investment adviser for the Funds. Under normal market conditions, the CA Fund invests at least 90% of its assets in the component securities of the S&P California AMT-Free Muni Bond Index (“CA Index”), which measures the performance of the investment-grade segment of the California municipal bond market.<sup>8</sup> Similarly, under normal market conditions, the NY Fund invests at least 90% of its assets in the component securities of the S&P New York AMT-Free Muni Bond Index (“NY Index” and,

<sup>6</sup> In Amendment No. 1, the Exchange (1) eliminated an issuer concentration requirement from the proposed continued listing criteria applicable to the Shares, (2) deleted the condition that would have required a change to the index methodology before the proposed continued listing criteria would apply, (3) modified its justification as to why the proposed rule change is consistent with the Act, and (4) made other technical changes. Amendment No. 1 is available on the Commission’s website at: <https://www.sec.gov/comments/sr-nysearca-2018-38/srnysearca201838-4307304-173215.pdf>.

<sup>7</sup> Additional information regarding the Shares, Funds, and their underlying indexes is available in Amendment No. 1, supra note 6.

<sup>8</sup> With respect to the remaining 10% of its assets, the CA Fund may invest in short-term debt instruments issued by state governments, municipalities or local authorities, cash, exchange-traded U.S. Treasury futures, and municipal money market funds, as well as municipal bond securities not included in the CA Index, but which the Adviser believes will help the CA Fund track the CA Index.

together with CA Index, “Indexes”), which measures the performance of the investment-grade segment of the New York municipal bond market.<sup>9</sup>

Currently, the Exchange lists and trades the Shares under NYSE Arca Rule 5.2-E(j)(3), which governs the listing and trading of Investment Company Units, and pursuant to an order approving the Exchange’s proposal to list and trade the Shares.<sup>10</sup> The representations made by the Exchange in support of that proposed rule change constitute continued listing requirements for the Shares.<sup>11</sup> The Exchange, with this filing, now proposes to amend the continued listing requirements applicable to the Shares.

Currently, for the Exchange to list and trade shares of the CA Fund, each bond in the CA Index must: (1) be a constituent of an offering where the original offering amount of the constituent bonds in the aggregate was at least \$100 million; (2) have a total minimum par amount of \$25 million; and (3) maintain a total minimum par amount greater than or equal to \$25 million as of the next rebalancing date. Further, the CA Index must include at least 500 component securities.

The Exchange proposes to amend the continued listing requirements for the shares of the CA Fund such that: (1) at least 90% of the weight of the CA Index must consist of securities that have an outstanding par value of at least \$15 million and were issued as part of a transaction of at least \$100 million; and (2) the CA Index must contain at least 500 component securities.

---

<sup>9</sup> With respect to the remaining 10% of its assets, the NY Fund may invest in short-term debt instruments issued by state governments, municipalities or local authorities, cash, exchange-traded U.S. Treasury futures, and municipal money market funds, as well as municipal bond securities not included in the NY Index, but which the Adviser believes will help the NY Fund track the NY Index.

<sup>10</sup> See Securities Exchange Act Release No. 82295 (December 12, 2017), 82 FR 60056 (December 18, 2017) (File No. SR-NYSEArca-2017-56) (“Listing Approval Order”).

<sup>11</sup> See NYSE Arca Rule 5.2-E(j)(3).

Currently, for the Exchange to list and trade shares of the NY Fund, each bond in the NY Index must: (1) be a constituent of an offering where the original offering amount of the constituent bonds in the aggregate was at least \$100 million; (2) have a minimum total par amount of \$25 million; and (3) maintain a minimum total par amount greater than or equal to \$25 million as of the next rebalancing date. Further, the NY Index must include at least 500 component securities.

The Exchange proposes to amend the continued listing requirements for the shares of the NY Fund such that: (1) at least 90% of the weight of the NY Index must consist of securities that have an outstanding par value of at least \$5 million and were issued as part of a transaction of at least \$20 million; and (2) the NY Index must contain at least 500 component securities.

The Exchange represents that, except for Commentary .02(a)(2) to NYSE Arca Rule 5.2-E(j)(3), the CA Index and NY Index each will continue to satisfy all of the requirements under NYSE Arca Rule 5.2-E(j)(3).<sup>12</sup>

### III. Discussion and Commission Findings

After careful review, the Commission finds that the proposed rule change, as modified by Amendment No. 1, is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities exchange.<sup>13</sup> In particular, the Commission finds that the proposal is consistent with Section 6(b)(5) of the Act,<sup>14</sup> which requires, among other things, that the rules of a national securities exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and

<sup>12</sup> See Amendment No. 1, supra note 6.

<sup>13</sup> In approving this proposed rule change, the Commission has considered the proposed rule's impact on efficiency, competition, and capital formation. See 15 U.S.C. 78c(f).

<sup>14</sup> 15 U.S.C. 78f(b)(5).

coordination with persons engaged in facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. The proposed minimum outstanding par value and transaction size requirements for constituents of the Indexes are consistent with those approved by the Commission for similar products.<sup>15</sup> Moreover, there is no change to the current continued listing criterion that each Index includes at least 500 component securities. Further, the Exchange represents that the CA Index and NY Index each will continue to satisfy all of the requirements under NYSE Arca Rule 5.2-E(j)(3) except for Commentary .02(a)(2) to NYSE Arca Rule 5.2-E(j)(3).<sup>16</sup> The Commission notes that the Exchange proposes no other changes to the Funds. Accordingly, the Commission believes that the proposed continued listing requirements are adequately designed to help deter manipulation of the Shares.

For the foregoing reasons, the Commission finds that the proposed rule change, as modified by Amendment No. 1, is consistent with Sections 6(b)(5) and 11A of the Act and the rules and regulations thereunder applicable to a national securities exchange.

V. Accelerated Approval of Proposed Rule Change, as Modified by Amendment No. 1

The Commission finds good cause to approve the proposed rule change, as modified by Amendment No. 1, prior to the 30th day after the date of publication of notice of Amendment No. 1 in the Federal Register. Amendment No. 1 supplements the proposal by, among other things, eliminating an issuer concentration requirement from the proposed continued listing criteria applicable to the Shares and deleting the condition that would require a change to the index methodology before the proposed continued listing criteria would apply. The changes and additional information in Amendment No. 1 raise no novel issues and assist the Commission in finding that the proposal is consistent with the Act. Accordingly, the Commission finds good cause, pursuant to Section 19(b)(2) of the Exchange Act,<sup>17</sup> to approve the proposed rule change, as modified by Amendment No. 1, on an accelerated basis.
